NEW YEARS DEAL\$!

For the entire month of January, SOR is putting some of our popular products on sale.

See this flyer for New Years Deals.

REPRODUCTION STEEL FENDERS

SOR offers Reproduction Steel Fenders. These replacement fenders are complete with inner fender well and brace just like the original O.E.M. fender. Black primer finish, ready for paint. Some years may require minor drilling for emissions equipment and accessories, just like the original. Fits all left hand drive 40 Series. Fenders are sold each or save when you buy a pair.

SMOG PUMP ELIMINATOR KIT

This kit is a direct replacement for the smog pump on 8/80-8/87 40 & 60 Series Land Cruisers. This light weight 6061 T6 Billet Aluminum unit uses the original stock smog pump pulley, or an aftermarket matching aluminum pulley can be purchased separately (see #048-01G-PUL). This idler uses 2 precision sealed bearings for long life and durability. Not legal for use on pollution controlled vehicles. Off road use only. Available exclusively at Specter Off-Road, patent pending. While supplies last.

S-O-R HEADLINERS

Need a new headliner? Nothing makes your interior look worse than a sagging and dirty headliner. This is an inexpensive part to replace and will make your interior look like new.

#108-112-SOR - S-O-R's Reproduction Headliners are made out of the same fabric as the O.E.M. headliner, the O.E.M. headliner has a heat laminated seam, where the Specter's headliner has a sewn seam. Specter's Factory Reproduction headliner is cut to fit, has mitered corners, no trimming, no modifications needed. Easy to install and available at an attractive price! Just too cool!

HEAT RISER INSULATOR

SOR now offers a replacement stainless steel heat riser for 1/75 to 8/87 intake and exhaust manifold assemblies. This insulator installs between the intake and exhaust manifold. This helps avoid overheating and possible cracking of the intake manifold, a common problem on 2F intake manifolds. This is an important consideration since most of these manifolds are no longer available. Since the insulator for the 1/76 to 7/80 California special is no longer available, we recommend using this insulator.

Part #	Description	Price*
044-12C	Heat Riser Insulator Fits 1/75-8/87 2F manifold assemblies	\$31.05

PARKING BRAKE KIT FOR SPLIT TRANSFERCASE

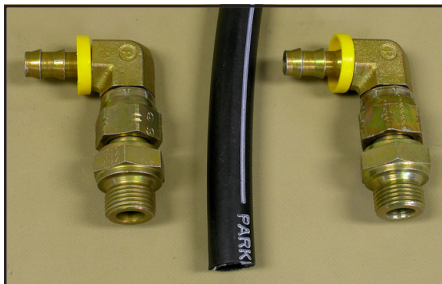

This is a Parking Brake Kit for pre 8/80 Land Cruiser models who are installing a 4 speed or 5 speed transmission with a split transfercase. Some FJ40 models require modification of the frame member. Kit includes a rear output shaft, parking brake drum, rear bearing retainer, retainer gasket, case gasket, transfer shim set, output bearing, output seal, parking brake drum nut, and parking brake cable clip. Kit does not include backing plate assembly, parking brake cable, parking brake shoes, and related parts, if you do not already have these items they will need to be ordered separately.

Part #	Description	Price*
068-100CB-KIT	Parking Brake Kit For Split Transfercase Fits pre 8/80 Cruisers who are installing a 4 or 5 speed transmission with a split transfercase	\$455.00

TRANS/TRANSFER OIL RETURN KIT

Do you have a problem where the transfercase oil level goes down and the transmission oil level goes up? This is caused by a failure of the seal between the transfercase and transmission, allowing the transfercase to pump its oil into the transmission. In extreme cases the transmission will overfill creating a mess when it starts to leak out of the shift tower and out of the input shaft seal soaking the clutch disc. The transfercase will then contain very little oil accelerating wear and possibly causing a great deal of internal damage. This kit allows the excess oil in the transmission to drain back into the transfercase. Kit includes fittings for both transmission and transfer fill ports and hose to connect them.

Part #	Description	Price*
068-998	Trans/Transfer Oil Return Kit Fits 1958-8/87	\$65.00

100 SERIES KLEEN WHEELS

Keep your wheels clean by installing this new product. Don't let your costly alloy wheels turn black with unsightly, corrosive black dust. Protect your wheels from damage and say good-bye to scrubbing off the black brake dust forever. Easy to install, Kleen wheels just snap into place. Improved turbo vents in the discs allow direct cooling across your brakes. Fits front & rear factory stock rims.

Part #	Description	Price*
084-899	Kleen Wheels - Sold in pairs Fits 1998 & Later 100 Series front & rear factory stock rims	\$46.99

HY-STEER ROD & ENDS KIT

Do you have 60 or 62 series with a Spring Over Axle conversion? Are you having trouble getting your steering to work correctly? Designed to fit with the Hy-Steer Knuckle Arms part number #094-23H-PR. Kit comes with new tie rod with high strength 80 series rod ends, new relay rod with 80 series ends and the power steering box pitman arm for the stock Toyota steering box that fits the 80 series tie rod end.

Part #	Description	Price*
094-23H-ROD	Hy Steer Rod & Ends Kit Fits 8/80 to 1/90 60 & 62 series vehicles w/spring over conversion & #094-23H-PR knuckle arms	\$499.99

POWER STEERING PUMP BRACKET

SOR now offers a bracket to install a GM type of power steering pump onto the Toyota 6 cylinder engine from 1975 to 8/80 using the original factory smog pump assembly. Factory smog pump is required to provide adequate belt clearance for the water pump pulley. This bracket bolts to the driver side 2 forward head bolts. Bracket is designed to use the early type of GM pump with the round body with the tubular top with the early 2 groove pulley on it.

Part #	Description	Price*
100-946	Power Steering Pump Bracket Fits 1975-8/80 FJ40 6 cylinder with GM power steering pump	\$182.99

SOR.COM®

55 SERIES BODY MOLDING

The body molding that was originally installed on the pinchweld in the passenger doorway openings, is no longer available from Toyota. This aftermarket product is a metal reinforced welting with an attached tubular weatherstrip. Sold individually for one door. May require trimming to fit.

Part #	Description	Price*
113-95G-A	Body Molding - Aftermarket Fits 1958-7/80 FJ55 front door - Does one door	\$28.99
113-96G-A	Body Molding - Aftermarket Fits 1958-7/80 FJ55 mid passenger door - Does one door	\$28.99

CARBON FIBER DASH TRIM

SOR can now offer the 40 Series owners Carbon Fiber Dash Trim. These trim pieces cover the dash gauges, glove box and ash tray on 1968-7/80 40 & 45 Series vehicles. Comes with mounting hardware for the dash cover, but uses original hardware on the ash tray and glove box covers. Requires minor drilling to install.

Part #	Description	Price*
172-100A	Carbon Fiber Dash Trim Fits 1968-7/80 40 & 45 Series	\$128.99

WINCH BUMPER

Winch Bumper is designed to mount the original Warn 8274 and the newer Warn 8274-50 winches. Mounting hole bolt pattern is 10 inches wide and 4 1/2 inches tall. This bumper bolts to the stock bumper gussets and extensions, using the stock holes on 40 & 45 series vehicles. Bumper is 45 inches long over all and is made from 3/16 inch steel. Comes black powder coated. Mounting hardware not included, see #226-70 if needed. Fits all 40 series.

Part #	Description	Price*
226-82	Winch Bumper Fits 1958-1984 FJ25, 40 & 45 Series	\$189.99

60 & 62 SERIES U-BOLT KIT

This is a convenient & affordable U-bolt package for 60 & 62 series vehicles. This kit includes 9/16" x 8 1/2" square U-bolts (qty 4), 9/16" x 7 3/4" U-bolts (qty 4), washers, and nylock nuts.

Part #	Description	Price*
287-31B-KIT	U-Bolt Kit Fits 8/80-1/90 60 & 62 Series	\$90.00
